

# The Gnostic Gospel of St. Thomas: Meditations on the Mystical Teachings by Tau Malachi

## Finally

Of all the lost gospels of the early Christian Bible, the Gospel of St. Thomas is the most well known. According to Tau Malachi, each verse of this Holy Scripture is like an endless well of Wisdom. Drawing upon the Holy Kabbalah, contemporary Christian thought, and wisdom of the gnostic tradition, Malachi guides the reader into a true gnostic experience—a first-hand and completely unique exploration of the sacred secrets and spiritual insights in this important gnostic text.

Both intuitive and interactive, the gnostic approach to faith is a sacred quest for greater knowledge, understanding, and wisdom—a deeper penetration of the Mystery. This path leads to a higher degree of the enlightenment experience or gnosis. The Gnostic Gospel of St. Thomas

reveals how the reader can use each verse in this scripture as a source of daily contemplation and spiritual growth, while exploring the secrets of resurrection and ascension, the true role of St. Mary Magdalene in the early church, and other mystical and magical teachings.

**Personal Review: The Gnostic Gospel of St. Thomas:  
Meditations on the Mystical Teachings by Tau Malachi**

I wasn't too sure what to expect when I got this book, I knew I would have to contemplate every teachings one at a time. This is not a book to read all at once but one verse each day and integrate those teachings. The teachings are truly helpful and wonderful, it helps to see the big picture of things and to know that what you're feeling at times on the spiritual path is normal. The spiritual path can be a lonely one and this book is a friend showing up to say that everything is OK and will be. It's a divine intervention from God to guide you and to say don't quit you're almost there. Keep going and you will find what you're looking for....Wonderful book.
